

MOTORIZED MOBILE STAND – SCETAV-NBL

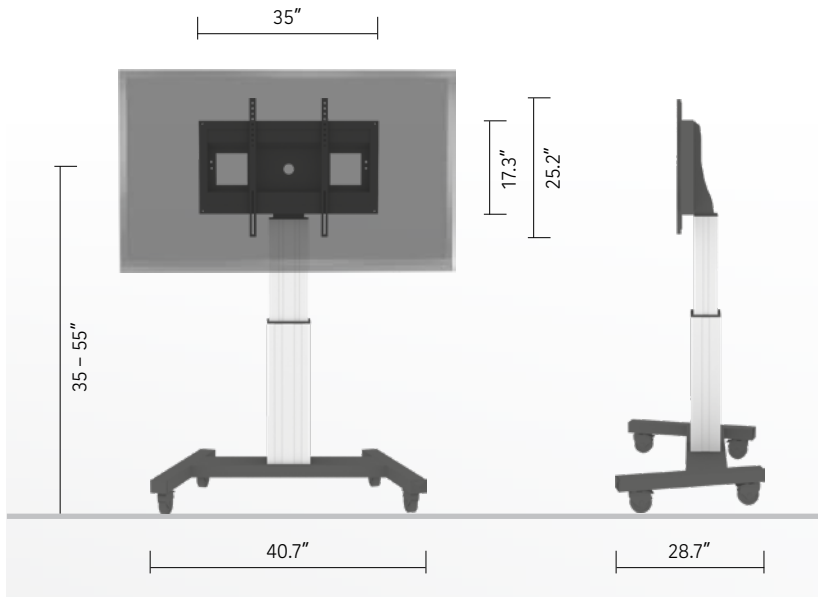

ConenMount's SCETAV-NBL Motorized Mobile Stand ensures that every student can collaborate with ease and comfort. The stand supports displays up to 100" and allows for the panel to be raised and lowered up to 20" by a simple push-button operation.

The V-shape base with 3" casters allows for the unit to be easily moved within the classroom. For user convenience and to enhance the teaching experience, several accessories are available, including laptop shelf, mini-PC bracket, storage bins and handles to protect the display in transit.

Key features

- Up to 20" of smooth, motorized height adjustment
- For 42 – 100" displays
- V-shape base with 3" single wheel casters, two locking
- Modular system. Easy change over to wall mount.
- Ships unassembled. Quick and easy install
- 5 year warranty!
